Protecting God's Children

When a child of God is abused, everyone suffers. Healing from abuse is a long, painful journey. Victims of sexual abuse are three times more likely to suffer from depression, six times more likely to suffer from Post-Traumatic Stress Disorder and 13 times more likely to abuse alcohol. Together, we can protect our children. Holy Spirit Parish is presenting Protecting God's Children **required of all employees and those volunteer with unsupervised, ongoing access to minors and vulnerable adults**. Join us for Protecting God's Children, where you will learn:

- ♦ How to separate the facts about child sexual abuse from the mythsL
- ♦ How sexual offenders gain access to childrenL
- ♦ What to do when you see warning signs in children or adultsL
- ♦ Why it is important to teach your children boundaries.
- ♦ When: **Wednesday, September 19th at 6:30 p.m.** (length of session is 3 hours)
- ♦ Where: Holy Spirit Education Building - Room 1

You will **NEED to register** online by visiting virtusonline.org and clicking on the registration link (found on the right side of the page). If you need assistance with your registration or have any questions, contact the parish office at 253-859-0444.
