LIVE THE LITURGY

Inspiration for the week

God calls us to bring His Word to all corners of the earth. What does that mean for you and me? We are just simple and humble folks trying to find our way through the Gospel and our world. After all, we are not professional preachers but gentle servants. Jesus summons us to take his message on the road and bring it from the pew to the pavement. We cannot keep the joy of the Gospel to ourselves but must bring it into every aspect of our lives: our families, our schools, our work, our corporations, our politics, our social circles, and our philosophies. We cannot just accept the wisdom of the world as true and conduct our lives as if the Good News is a separate matter. They are one. Jesus never asked his friends to go and construct buildings where people could come to hear the truth. He asked them to go to their homes and meet them one on one, face to face. When the rubber meets the road and the message is challenging, rejection is quite possible. That's the litmus test for whether we're really doing what we have been asked.
